

Open Enrollment

March 1 is the deadline to file open enrollment application forms with the resident and receiving district. Applications must be filed in the school year prior to the open enrollment year. If the application is for a kindergarten student, file the application form with both districts on or before September 1 of the school year in which open enrollment is requested. Note that students in grades 9-12 will NOT be eligible to participate in varsity contests and competitions during the first 90 days of school transfer.
