

Step 3B: FCSD Determination Summary – Section 504

FCSD utilizes a digital determination form, broken down by all of the major categories of life activities. This form serves as the summary from that digital determination.

Student:

School:

DoB:

Grade:

Referral Team Members Present(Signatures):

1. Describe the nature of the concern:
2. Describe the basis for the determination of disability:
3. Describe how the disability affects a major life activity and to what extent on a 5-1 point scale, 5 being the highest. Reference digital data (Step 3A).
4. Describe the services and/or accommodations that are necessary:
